A TAN FOR EVERY TONE. A SOLUTION FOR EVERY BODY.

We got a glow up! Say hello to the new, fresher Crazy Angel. With a professional & retail collection that boasts an impressive portfolio of tanning products – Crazy Angel will help achieve a flawless, glowing tan. The perfect, gorgeous addition to your salon.

Why Crazy Angel?

All Crazy Angel products are designed with comfort & sustainability in mind. Crazy Angel is free from alcohol, parabens & mineral oil, utilizing skin-boosting extracts to hydrate & moisturize for longer-lasting tanning results. All products are now 100% vegan & always cruelty-free. All bottles are made from up to 50% post-consumer recycled (PCR) materials to minimize the use of single use plastics.

This is not your typical tanning brand whereby you are limited to light & dark. Crazy Angel knows that everyone is unique, with skin tone varying greatly from person to person. Crazy Angel provides a professional & personalized tanning range that suits all skin tones & types, body shapes & sizes.

Crazy Angel's Prolong & Protect Tanning Agent & naturally sourced DHA ensures each product is formulated with only the finest natural ingredients to produce unrivalled tanning results. Skin is left with a beautiful tanning glow, while also being nourished & hydrated. Every tan looks its best with Crazy Angel's skin firming technology.

CRAZY ANGEL - PREPARE

CRAZY ANGEL

Tan Eraser

Formulated to gently & effectively remove self-tan to reveal a fresh base for new tanning. With Aloe Vera & Salicylic Acid, this delicate cleansing mousse removes tan in just 5 minutes, leaving the skin feeling silky-smooth & nourished.

USE: For best results, apply generously to dry skin 3 days after application of self-tan. Leave to soak into skin for 5 minutes. Shower using warm water & a face cloth or exfoliating gloves to gently wipe away the tan.
245ml
17583

Body Polish

The replenishing Body Polish gently exfoliates to reveal fresh skin & the perfect base for tanning. The vegan, oil-free formula, infused with firming actives & Vitamin E, rebalances the skin while natural exfoliating ingredients gently scrub away dead skin cells. Skin is left feeling soft & refreshed.

USE: Gently massage onto dry or damp skin, focusing on areas prone to dryness, such as elbows & knees. Rinse off with warm water.
250ml
17584

Barrier Cream

Creates an invisible shield to protect problem areas prone to staining, such as the palms of hands, soles of feet, knees & elbows. A hydrating formula infused with Coconut & Aloe Vera helps to soften & smooth skin for the most flawless glow.

USE: Apply a thin layer onto areas that you do not wish to tan.
