The vision for arcaya is to offer the perfect skin care routine for women of every age, anywhere around the world. For this reason, the products have been designed as problem-solvers & targeted skin care for special needs. Fast & perfect efficacy achieved through a high concentration of active ingredients is an especially high priority. The holistic product range not only meets all daily skin care needs, but goes a step further to perfect consumers' skin care routines by making ampoules a part of them.

- Active ingredient ampoules are beauty secrets & solutions in a glass.
- Simplifying skin care, arcaya ampoules provide better, more intensive & effective skin care solutions.
- The small size of the ampoules forces the solutions to be as intensive & concentrated as possible.

- Right from the first use, you will notice nothing delivers results as intensive as ampoules.
- arcaya guarantees unique variety, quality & efficacy through paramedical ingredients.
- To open: shake well & gently tap the top of the ampoule to make the fluid flow to the bottom. To protect hands, place tissue or towel around ampoule. Snap the top of ampoule off backwards at the break ring. **DO NOT** open ampoule with bare hands.
- Cleanse face, apply desired amount to hands, transfer to face & gently massage into the skin. Cream can be applied after.
- Fluid should be used within two days of opening.
- One use will give extra beauty boost but a ten ampoule use over 2-3 weeks provides the best results.
- Made in Germany.

Ampoules (5 x 2ml) - Hydration & Fine Pores

Hyaluron Plus - Wrinkle refill

This exceptional ampoule has a long-term effect on dry, demanding skin. Hyaluronic acid, a well-known active agent in facial anti-wrinkle injections, forms a unique link with the keratin in the stratum corneum, stores moisture & prevents loss of fluids. This enables rapid & sustained firming of the skin, optically "filling in" wrinkles & lines for immediately visible success.

KEY INGREDIENTS:

Hyaluronic acid - deeply moisturizing & smoothing
14353

Cashmere Feeling - The most gentle ampoule for a fine-pored appearance

For special beauty rituals: envelops the skin in a gentle, protective cloak immediately after application without a greasy or sticky feeling. Visibly & perceptibly smoothes & has an exceptionally relaxing effect. The delicate, protective mantle begins working immediately. The complexion appears fine-pored & soft. Increases the skin's hydration level & gives the complexion an unparalleled silky feeling.

KEY INGREDIENTS:

Silk proteins - smoothing, pore-refining
Hyaluron - moisturizing
15688

Energy Active - Moisture Flash & Energy Booster

This super high-tech ampoule recharges the skin's natural batteries. The skin is instantly hydrated & immediately appears fresh. The energy boost can be seen & felt right away. All signs of tiredness vanish. The first signs of wrinkles & fine lines are effectively inhibited.

KEY INGREDIENTS:

Taurin - activating, refreshing
Hyaluron, Pullulan - instant strengthening
14735

Multi Vitamin - Immune protection & natural anti-aging

Perfectly combined vitamin complex with A, C, & E- as well as F & B6, for intensive immune protection of the skin. This delightful fruity ampoule strengthens the immune system & brings with it instant well-being & perfect freshness. Naturally pure vitamins stabilize the cells & function as effective radical scavengers. The skin's resilience is significantly increased. Well-being of the skin is maximized - even many days after application.

KEY INGREDIENTS:

Vitamine B5, B6, A-C-E - anti free-radical effect
Elastin - smoothing
15689

Aloe Vera - Works powerfully against all types of skin damage

Immediately balances out all traces of dryness & tight-feeling skin. Has an intensively soothing effect & promotes the skin's natural protection mechanism. The 100% natural aloe extract is rich in vitamins & minerals. Even demanding skin receives all nourishing elements it needs for true beauty. The successful cell & skin regeneration effect is particularly noticeable on skin that is uneven in structure, scarred or suffers from impurities. "First aid" for sunburn or for regeneration after exposure to the sun.

KEY INGREDIENTS:

Aloe vera juice - deep moisturizing, immediate help for red skin
14359

Beauty Day - Burst of freshness & protection for the skin

For a radiant & perfect experience & fresh-looking skin. This effective active ingredient concentrate gives any type of skin a visible burst of freshness for a radiant, healthy look. Carotin with vitamin A & natural lipids support the skin's regenerative abilities & leave it feeling noticeably refreshed & perfectly radiant. The ampoule is the ideal choice to protect the skin against the effects of the weather. Recommended for skin that looks sallow, weak or creased.

KEY INGREDIENTS:

Beta carotene, Avocado oil - fresh appearance
Hyaluron - moisturizing, smoothing
15690

Ampoules (5 x 2ml) - Anti-Spot & Detox

Milk & Honey - Powerful treatment for skin impurities

An anti-bacterial, cooling ampoule that helps to alleviate impurities & redness. Natural yet especially intensive treatment for all symptoms of impure skin. Inflammation is lastingly alleviated thanks to the antibacterial & cooling effect. The acid mantle is restored to its natural state, cutting off the supply of nutrients for bacteria. Selected plant extracts promote healing of pimples & prevent formation of scaly skin.

KEY INGREDIENTS:

Lactic acid, honey, mahonia extract, ribwort extract, salicylic acid - bactericidal, supports healing

15691

Crystal - Purity & firming

Crystal beauty ampoules have a firming effect & can immediately erase signs of aging. Derived from the field of gemstone therapy, the active ingredient extract consists of pure quartz crystals in powdered format, suspended in a moisturizing medium. Quartz is made primarily of silicon, a trace element that plays an established biological role in retaining the firmness of the skin. All traces of tiredness & reduced elasticity can be systematically erased, bringing out the skin's natural radiance. This ampoule is also ideal for skin impurities after puberty.

KEY INGREDIENTS:

Rock crystal extract - strengthening

Silica - purifying

15692

Oxygen - Unveiling of youthful freshness

Increases supply of oxygen to the skin, promotes formation of new cells. Ideal for pale, grayish skin or skin under stress from environmental influences. Smoothing ampoule concentrate for instant perfecting of the complexion. The complexion immediately appears fresher & more relaxed. Precious elements in the active ingredients increase the supply of oxygen to the skin, enabling increased formation of new cells. Uneven areas are smoothed out & shiny skin is matted. The 24-hour moisture supply corrects fine lines & leaves the skin smooth & refined. Ideal for treating the visible effects of an unhealthy lifestyle.

KEY INGREDIENTS:

Perfluorodecalin (polyperfluoroethoxymethoxy difluoroethyl, PEG phosphate) - Oxygen-Booster, 24h hydrating

14363

Ampoules (5 x 2ml) - Eyes & Lips

Eye Repair - Anti-wrinkle ampoule for the eye zone

Anti-wrinkle ampoule for the eye zone, instantly revitalizing & intensively smoothing. Highly effective ampoule for the eye zone. The new, ultra-light formula with peptides & azuki extract has an instantly noticeable firming effect on the eye zone, imparting new vitality & elasticity. All traces of dryness are systematically eliminated. Skin immediately looks smoother!

KEY INGREDIENTS:

Matrixyl, Synake, Argireline - smoothing, wrinkle refill

15693

Eye Sensitive - Express eye care

Relieves puffiness, reduces dark circles & redness & soothes strain caused by contact lens use. Fast-acting eye care that immediately leaves skin around the eye area looking radiantly beautiful. The new micro-texture revitalizes & smoothes while reducing swelling at the same time. Dark circles & small lines are instantly minimized & tired-looking eyes become brighter. The delicate eye zone receives a generous supply of moisture, providing effective protection for the sensitive eye zone.

KEY INGREDIENTS:

Eyebright extract - soothing, against dark eye circles

Green tea extract - soothing

Hyaluron - wrinkle refill

15694

Volume Lips - Enchanting lips

Plumping & firming ampoule serum for more voluminous, supple lips. Increases lip volume & nourishes the lips with a refreshing, stimulating effect. For intensive firming of lip contours & reduction of fine lip lines. The lips look fuller & better cared for immediately after the first application. Small mimic lines around the edges of the lips are noticeably reduced.

KEY INGREDIENTS:

Jojoba oil, Shea butter, Peppermint oil - soothing, soothing, protecting the lips

15695

Ampoules (5 x 2ml) - Anti Ageing & Firming

Lotus - Traditional care for invigorating the skin

Ampoule with a stimulating yet simultaneously relaxing effect. Leaves the skin feeling especially smooth. This intensive, revitalizing ampoule with lotus extract has been developed specifically to make the complexion appear firmer & younger. Demanding skin permits no compromises. Lotus extract is the secret ingredient of traditional beauty treatments in Myanmar. The stimulating floral aroma will immerse you in the magic of traditional care rituals as you bask in a sensation of pure wellness. The addition of natural collagen effectively combats wrinkles.

KEY INGREDIENTS:

Lotus extract, Collagen - stimulating, smoothing, firming
15363

Vitamin C - Collagen booster & anti-pigment

Rapid assistance for combating wrinkle formation, reduced elasticity & hyper-pigmentation. Ampoule with a highly sensitive pure Vitamin C derivative that is transformed into Vitamin C by the skin's own enzymes after application. Only in this way Vitamin C is able to take effect in the deeper layers of skin. Vitamin C has outstanding collagen synthesizing properties, i.e. promoting the regeneration of elastic collagen fibers. Vitamin C has a superficial lightening effect, intensifying the skin's luminosity & lending it a porcelain-like shimmer.

KEY INGREDIENTS:

Ascorbic acid (pure Vitamin C) - collagen synthesis
Lemon oil - lightening effect
14357

Platinum - Youth Code & Contour Control

The ultimate regenerative ampoules for increasing the cells' natural ability to repair themselves. Firming ampoules with a timeless effect for systematically combating reduced elasticity in skin tissue. Highly effective, nourishing ingredients improve the skin's elasticity & promote cohesion of the cells & skin layers. The contours of the face immediately become firmer, suppler & more elastic. Especially effective for treating reduced elasticity in the skin of the face, chin, neck, décolleté & breasts.

KEY INGREDIENTS:

14360

Starters

Cleansing system with products ranging from tonic to an exfoliator for targeted, in-depth cleansing. The complexion is cleansed & refined. The skin can breathe again & is ideally prepared to absorb the nourishing active ingredients in subsequent products.

Cleansing Milk

Gentle cleansing milk for any skin type

Gentle & mild cleansing milk for daily beauty rituals. This creamy & gentle cleansing milk preserves the natural, protective film on your skin & leaves it feeling soft & radiantly fresh. Proteins make the skin feeling silky-smooth. All traces of make-up are thoroughly removed.

USE: With the fingertips, apply to the skin of the face, neck & décolleté in gentle circular motions & then rinse off with a wet cloth or fresh water.

KEY INGREDIENTS: Mont Blanc glacier water - rich in minerals, proteins, natural oils & detergent substances

200ml

15699

Cleansing Miracle

Gentle foaming cleansing gel for any skin type

Clear, fresh cleansing gel for daily beauty rituals. Fast & easy to use. This oil-free gel cleanses the skin intensively, preserving its natural, protective film & leaving it looking fine-pored & radiant. Herbal extracts have a balancing, refreshing effect & help to lock in moisture. Can also be used to remove make-up.

USE: Foam a small amount of the gel in the palm of your hand with water & apply to the skin with small circular motions. Then rinse thoroughly with water.

KEY INGREDIENTS: Mild tenside mixture with sugar tensides, herbal extracts from ginkgo, ginseng, green tea & tiger grass

200ml

15700

Tonic Caresse

Much more than a toner - leaves the skin feeling simply fantastic

This toning skin drink with aloe vera gel is as refreshing as a waterfall. The crowning finish to cleansing, it quenches the skin's thirst for moisture & leaves it perfectly smooth. The loving care that skin craves each day. Redness & irritations are instantly alleviated. The result is skin that feels better than ever before - perfectly well cared-for with no signs of dryness. Absolute balance for stressed skin.

USE: Shake briefly before use. Pour a few drops onto a cotton pad & dab it onto the skin & neck. Then apply moisturizer. **KEY INGREDIENTS:** Mont Blanc glacier water, rich in minerals, aloe vera juice, lime & geranium oil

200ml

15701

Starters

Tonic Vital

Micellar facial toner for deep cleansing with herbal extracts

Refreshing & clarifying micellar facial toner for normal skin, mixed skin & oily, blemished skin. Leaves the skin's natural, protective barrier intact for fine-pored, smooth & matte skin. Herbal extracts balance & refresh the skin while also helping to preserve moisture.

USE: Apply evenly with a cotton pad & gently massage into skin, do not rinse off.

KEY INGREDIENTS: Herbal extracts from tiger grass, ginkgo, ginseng & green tea

200ml
15702

Amber Peeling

Facial peeling with amber extract

Exceptional facial peeling rub with real amber extract. Removes excess build-up of dead cells, cleanses & peels the skin. The stratum corneum is the outermost visible layer of skin. Its composition affects how we look, how our skin feels & quality of the skin structure. Exfoliation removes dead cells & impurities, exposing healthy, young skin. The result is clean, smooth, radiant skin. Natural vitamin oils restore the skin's natural balance.

USE: Dab a small amount on the skin & gently massage in, especially in the T-zone. Avoid the eye area entirely. Remove excess with damp washcloth or sponge & then apply moisturizer. For dry or sensitive skin, the peeling can be left on up to 10 minutes before scrub.

KEY INGREDIENTS: Amber extract, apricot kernel granules, avocado oil

100ml
15704

Derma Pro

Unique biological enzyme purification for all skin types

Excessive hornification is loosened without rubbing & the pore contents are emulsified & flushed out. The skin's absorbency is enormously increased.

USE: Depending on individual skin type (dry - greasy) the entire contents of 1-3 pump strokes are used per treatment. Apply to dry skin, massage in using fingertips or a cleansing brush in circular motions & leave for 1 minute on the skin. Then emulsify upwards with moistened fingertips. The liquid now begins to foam, to a larger or greater extent, depending on the individual skin type. Then rinse thoroughly with lots of water. Combination with steam intensifies the cleansing result. Tip: also ideally suited as preparation for sugaring hair removal. Reduces ingrowth of hair.

KEY INGREDIENTS: Lamepon, papaya enzyme

Creams - 100ml

arcaya skin creams offer concentrated care for every skin type & need. Environmental hazards, stress, UV rays, cold & heat all have a negative impact on our skin. Thanks to their high level of effectiveness, these day-time & night-time creams provide the ideal balance to these daily stresses. Lightweight & rich textures leave skin feeling & looking its best.

No1 - Nandina

Vitamin C Formula, Collagen Booster

With its soft melting texture, this balancing anti-aging cream gently nourishes the skin & releases concentrated doses of Vitamin C. It helps plump up the skin from the inside while, at the same time, promoting new suppleness & smoothing out fine lines. Loss of firmness is systematically corrected. Facial features are re-modeled & contours "lifted." The perfect cream that effectively protects skin both day & night. Just one cream with a structure similar to the skin itself can be optimally absorbed & put to use by the skin. This enables the vitamins & nourishing substances to have maximum impact & successfully combat the free radicals continually being generated during the metabolic process.

USE: Apply to cleansed skin in the morning & evening & gently massage in with circular upward motions.

KEY INGREDIENTS: Vitamin C, shea butter, orange fruit extract & green tea

100ml
15705

No2 - Ultra Facial

Deep Moist Formula, Hydro Cellular

Protects the skin lastingly from drying out & delivers an immediate & long-lasting supply of moisture. Pure moisture for fresh, supple skin. Water is the elixir of life for our skin. As our contact surface with the environment, the skin must protect our organism from drying out & guard against other external influences. This is why long-lasting supply of moisture & its storage in the skin are so important. Ultra Facial Cream fulfills the requirements for a modern moisturizer twice over, delivering an extra dose of moisture & lastingly binding it to the skin via lipids.

USE: Apply to cleansed skin in the morning & evening & gently massage in with circular upward motions.

KEY INGREDIENTS: Algae extracts, shea butter

100ml
15706

Creams - 100ml

No3 - Golden Dew

3D Lift Formula

The unique gold formula & finest natural oils lastingly promote the skin's natural healing process. Precious ingredients eliminate symptoms of deficiencies, ensure increased regeneration ability & visibly reduce wrinkles & fine lines. The skin looks more relaxed, younger & fresher. Golden Dew is the ideal cream when no other cream is truly enough, when the skin feels raw & creased.

USE: Apply in the morning & evening after cleansing & gently massage into the skin.

KEY INGREDIENTS: Macadamia oil, beeswax, gold
15707

No5 - Noni Frangipani

Nourishing Formula, Relaxing Complex

This rich, fruity & refreshing cream has a highly nourishing & soothing effect, in particular on stressed & damaged skin. Exotic oils leave skin with a unique, silky-smooth feel & a visibly improved, lastingly refreshed appearance. Nourishing oils relieve & soothe skin prone to redness, protect against dryness & leave skin with a beautiful, soft & supple feel. Noni Frangipani is a cream for everyone who wants a soft, gently melting texture, a cream that absorbs quickly without leaving a shine & yet provides the skin with intensive nourishment at the same time.

USE: Apply in the evening after cleansing & gently massage into the skin. Use during the day as well for very dry skin.

KEY INGREDIENTS: Noni extract, frangipani oil, cocoa oil, cocoa butter
15709

No7 - Cream Imperia

Stem Cell Formula, Anti Ageing Effect

Cream Imperia offers an entirely new combination of regenerative elements & highly concentrated extracts from the alpine rose. Because it is formulated with a melting point similar to skin temperature, the cream essentially becomes one with the skin. This special feature enables the active ingredients in the cream to penetrate the skin especially quickly, activating the skin's naturally regenerative abilities & making skin care a true pleasure. Fine lines & wrinkles are plumped up from the inside day by day. Facial contours instantly appear firmer. Bio-active stem cells from the alpine rose provide intensive protection & lengthen the cellular lifecycle. Immediately following application the skin looks as if in soft focus & radiates youthful freshness.

USE: Apply in the morning & evening after cleansing & gently massage into the skin.

KEY INGREDIENTS: Stem cell extract from the alpine rose, rose oil, jojoba oil, apricot oil & green tea
15711

No4 - All Day Beauty

DNA Protect Formula, Daily Revitalizing Effect

Anti-wrinkle day cream with DNA protection, UV protection filter & moisture complex. Precious almond oil, pearl extract, polyphenol & plant stem cells create a seven-in-one effect for increased hydration, improved skin elasticity, better smoothing & minimization of wrinkle depth. The skin's regenerative ability & natural barrier function are strengthened at the same time. Apply after cleansing, gently massaging in. Ideally suited as a base for make-up.

USE: Apply in the morning. This cream is a perfect make-up base. A make-up with sunscreen can intensify the UV-protection.

KEY INGREDIENTS: Pearl extract, polyphenols, rockrose stem cell extract, SPF 15
15708

No6 - Red Wonder

Sensitive Formula, Immune Defence Complex

This especially soft cream with grapeseed oil & highly effective red grape leaf extract was developed specifically for the unique needs of sensitive & couperose skin. Help your skin gradually forget everyday cares & irritations. This especially soothing cream creates a sensation of gentle relaxation for the skin. The pleasantly soft formula & fruity aroma of fresh grapes further enhance the relaxing effect. Grape leaf extract strengthens & firms the skin, leading to an immediate improvement in its elasticity. Natural phytoextracts help to relieve venous congestion & the associated redness of the skin.

USE: Apply in the morning & evening, gently massaging into skin. Use this cream to reduce redness, increase elasticity, relieve couperose or offer your skin a little extra relaxation.

KEY INGREDIENTS: Grapeseed oil, red grape leaf extract, horse chestnut extract
15710

No8 - Hyaluron Booster

Moisture Flash Formula, Anti Wrinkle Cream

This velvety-soft cream combats the primary signs of skin aging: structure, elasticity, firmness, fine lines & purity. The triple hyaluronic acid intensively moisturises the skin, plumping & firming it. Prickly pear provides a strong dose of moisture & facilitates the skin's natural ability to regenerate itself. Sweet almond oil nourishes the skin, leaving it extremely soft & velvety.

USE: Apply to the skin in the morning & evening & gently massage in.

KEY INGREDIENTS: High & low molecular weight hyaluron as well as cross-linked hyaluron, prickly pear extract, almond oil.
15712

Masks - 100ml

**Hyaluron Mask - Flash Beauty Effect
Deep Moisture Formula**

Skin feels delightfully fresh as soon as the mask is applied. Low molecular weight, highly active hyaluron has an intensive impact on the skin, quickly filling in wrinkles to smooth out fine lines. Prickly pear extract replenishes the skin's natural moisture reservoir & instantly leaves the skin feeling fresh & looking smooth & fine-pored.

USE: Apply a thin layer, including the skin around the eye area. Remove with wet cloth or water after 10 minutes.

KEY INGREDIENTS: Low-molecular, high active hyaluron, prickly pear extract

15713

**White Earth Mask - Detox Formula
Deep Cleansing Effect**

Curative mask that also relaxes the skin. Minerals & white China clay cleanse the skin & leave it with a matte finish. Deep cleansing, pore-refining mask with natural China clay. The curative effects of this mask become apparent as soon as it is applied. The skin immediately feels relaxed & calm. Like blotting paper, the mask absorbs any superfluous lipids & deep cleans the skin. Deposits & excess skin cells are removed; blotches & irregularities are evened out. The complexion radiates youthful purity as soon as the mask is washed off. The skin feels refreshed & has a fine-pored, matte finish that lasts for hours.

USE: Apply mask generously, avoiding the area around the eyes. Remove the mask when it begins to dry. Massage the mask with damp fingertips & then wipe off with damp cloths.

KEY INGREDIENTS: China clay, argan oil

15714

**Green Tea Mask - Youth Formula
Best Energy Effect**

Instant beauty mask for demanding skin. Green tea extract balances, relaxes & immediately smoothes the skin. Experience well-being & an infusion of energy! This creamy mask leaves the skin extra-supple & smooth. The soft, creamy formula refreshes & revitalizes both the skin & the senses. Exceptionally nourishing for mature, demanding skin, this mask protects it from wrinkle formation & light-induced aging. The regenerative effect is further enhanced by Coenzyme Q10. You can instantly feel your skin recovering, becoming more robust & smoother during the treatment. The appealing, delicately fresh scent of lemongrass creates an added sense of well-being.

USE: Apply the mask to the face, neck & décolleté (including eye zone & lips). Let the mask absorb well. After 10 minutes, remove with a damp cloth.

KEY INGREDIENTS: Green tea extract, coenzyme Q10, grape seed oil

15715

**Baobab Mask - Vitamin Formula
Best Nourishing Effect**

Take your skin from dry to silky-smooth in just minutes! This mask leaves your skin dewy-fresh & smooth in no time at all. Nourishing vitamin-rich conditioning mask with traditional baobab oil that restores dry skin to its natural moisture balance while also soothing & regenerating. Ideal for especially dry, mature skin with low moisture levels or skin that can no longer function properly as a barrier. Cellular renewal processes are effectively supported & the elasticity of the skin improved. The protective, moisturizing effects of the mask can be felt as soon as it is applied.

USE: Apply a film, covering the area around the eyes as well. Remove with a damp wash mitt or cosmetic cloths after 10 to 12 minutes. Tip: Also ideally suited for a brief massage before removal of residue.

KEY INGREDIENTS: Baobab oil, sweet almond oil

15716

**Gray Silver Mask - Anti-Pollution Formula
Pure Skin Effect**

Special detoxing mask for impurities & skin damaged by environmental influences. This gentle but highly effective gel mask conditions the skin with a powerful active ingredient combination of bamboo, activated charcoal & silver. Activated charcoal acts like a magnet for dirt particles, meaning it cleanses the skin especially well. This is ideal for skin negatively affected by the environment. Acne is reduced, the complexion is matted & formation of new sebum is significantly slowed. Skin with a tendency to break out is lastingly soothed. Silver has an antibacterial effect & can prevent new impurities from forming.

USE: Apply a thin film, leaving out the area around the eyes. Remove with a damp wash mitt or cosmetic cloths after 10 to 12 minutes.

KEY INGREDIENTS: Bamboo active charcoal, silver

15717

Serums - 30ml

arcaya serums are masterpieces of modern cosmetics, harnessing the latest scientific findings to improve the skin's natural beauty. The unique combination of natural & medical ingredients makes it possible to achieve especially intensive skin care results.

- Ideal for use in the beauty salon when specific skin types & issues need to be treated
- Ideal for use in the beauty salon for intensified results with treatment equipment
- Also ideal for home care for targeted & optimal skin treatment

MesOrange - Highly concentrated active ingredient serum with hyaluron, minerals & B-Vitamins

MesOrange is an advanced medical beauty serum based on minerals, rare B vitamins & orange blossom oil. Minerals such as zinc, calcium & copper boost cell activity & have a special plumping effect. Small lines instantly become smooth again. The precious vitamins B3, B6 & B7 (niacinamide, pyridoxin & biotin) activate & support cell regeneration, strengthen the cell structure & supply the skin with moisture. As a result, MesOrange is able to control the skin's aging process. It fills in small lines & can increase the density of the collagen tissue.

USE: Apply a few drops of MesOrange to face & neck & gently massage in. Extended intensive treatment period of 3-4 weeks is recommended.

KEY INGREDIENTS: Hyaluron, zinc, calcium, copper, B-vitamins

NEW!

screenage line

screenage is the combination of Screen + age. It has long been known that external factors can cause the skin to age faster & lead to continual formation of new blemishes.

In our modern world, UV & blue ray radiation & environmental pollution are the primary causes for ageing of the skin.

The new arcaya screenage line has two effects: combats skin ageing & blemishes at the same time, while protecting against harmful environmental influences such as pollution.

This range has been developed for both in-salon treatments as well as home care.

- Blue light protection - "Screen Radiation"
- UV protection
- Protection from environmental pollution from gases of all kinds
- 24 hour moisture
- Regenerating & whitening Edelweiss stem cell extract with anti-blemish effect

screenage Repair Actives

Blue light & pollution blocker. Intensively smoothing ampoule serum for a perfect complexion. Protects DNA & blocks UV rays, blue light & particulate pollution.

Edelweiss stem cells with extremely high skin regeneration potential are also powerful antioxidants that neutralize free radicals & protect DNA. Stress on the skin is eliminated.

Moringa extract protects the skin against harmful environmental toxins. Another special active substance provides intensive protection against UV rays & blue light while also reducing hyperpigmentation (whitening effect). Impurities are significantly reduced.

KEY INGREDIENTS: Edelweiss stem cell extract, moringa seed extract, butterfly bush flower extract, triple hyaluron.

USE: Apply the content of one ampoule in the morning or evening after cleansing & gently massage into the skin, then apply moisturizer or cream.

Ampoules (5 x 2ml)
