

# Hair Dryers

Emission of negative IONS reduces electricity & stress on the hair, which means healthier hair. Hair dries faster as water molecules are pulverised into micro molecules which penetrate the hair shaft leaving it soft & shiny.

Olivia Garden® Ceramic + Ion™ High Performance Professional Hair Dryer

No matter the hair type, condition or style, this versatile hair dryer is the tool to unleash your creative power!

- Ceramic technology helps prevent heat damage & adds shine
  - Powerful 2000 watt, A/C motor
  - Fast drying
  - Ultra light (only 539g)

The technological restyling of the Parlux 3200® PLUS combines the power associated with a new one suction concept, ensuring quieter & fast drying. Redesigned for an even more professional experience.

Equipped with 2 nozzles with a secure, precise & quick adhesion. One for a perfect setting of the hair & the other for fast drying.

**LIGHT WEIGHT**

Reducing the weight of all the components has created an exceptionally light hairdryer for maximum comfort.

- LONG LIFE: 2.000 hours
- CABLE: 3 meters of strong cable
- 4 TEMPERATURES
- POWERFUL: 1900 Watt
- MICROSWITCH: Instant cold shot button
- 2 SPEEDS

**NEW ASPIRATION**

Designed to optimize drying thanks to a greater air flow.

**MANAGEABLE**

Ergonomic handle for more balance & comfort of use.
