A complete range of products to meet specific demands of men's style & care. An evolution of the latest trends tailored to contemporary men's care. Features products researched & developed from traditional formulas for modern solutions. A stylish, yet classic, reinterpretation for today's man.

Shaving Cream, 150ml
Soft shaving cream which facilitates the razor to effortlessly glide over the skin with maximum comfort & effectiveness. Creates a barrier between the skin & razor to prevent irritation. A moisturising & nourishing formula that soothes the skin to prevent redness, irritation, dryness & itching. Skin is left soft & invigorated.

Use: Apply on damp skin & shave as normal.
Tip: Great for all-over face & head shaving with minimal chances of irritation, bumps & itching.
16086

Shave Oil, 50ml
An emollient-rich, nourishing & protective shaving oil for sensitive skin types to achieve precision shaving. Creates a barrier on the skin to allow for an extremely close shave, providing comfort on sensitive areas of the face or head. The oil's composition ensures every pass of the razor is as effective as possible, reducing the need for multiple passes on a single area which can cause irritation & redness. A soothing formula that works even after shaving to prevent dryness.
Use: Heat the skin with hot water, apply a few drops on damp skin & massage on areas to be shaved. Shave as normal. Additional shaving cream can be applied on top of oil if preferred.
16087

After Shave Cream, 150ml
Soothing cream which calms, moisturises & invigorates the skin after shaving, relieving the skin of any redness, irritation or itching. A delicate blend of nourishing ingredients & oils quickly work to return the skin to its normal, healthy state after shaving. Leaves the skin feeling hydrated & protected, a crucial protector when the skin is sensitive.
Use: Apply a small amount to the skin after shaving, massage into the skin until absorbed.
16088

Beard Wash, 150ml
A gentle beard & face wash for all skin & hair types. Works to remove impurities without stripping natural oils which can lead to dryness & flaking. The beard & face is left feeling fresh, polished & hydrated with a signature fragrance.

Use: Apply warm water to face & hands, apply a few drops into hands & emulsify. Apply to face in circular movements & rinse.
16089

Beard Balm, 60ml
Shaving balm that softens & tides the beard, removing frizz & fly-away strands so facial hair is left looking sculpted & velvety-soft. Use in the morning to tame wild beard hair for chiselled perfection that lasts all day with a pleasant fragrance. Nourishing properties also give the hair a healthy glow while moisturising the skin underneath to prevent dryness, itching & flaking.
Use: Put a small amount of the product in the palm of hands & heat product by rolling it between palms. Apply & work through the beard. Style with hands for a natural look or with a comb or brush for a chiselled look.
16090

Moustache Wax, 30ml
Getting your moustache style on point is vitally important & requires a special combination of ingredients. This moustache wax defines & shapes moustache hair in any way possible & provides maximum control over the shape of goatees & moustaches. Hair is left soft & malleable so your chosen style lasts all day. Small tin size makes it ideal for on-the-go touch-ups.
Use: Work a small amount of the product with your fingers & apply to the moustache or goatee. Work through with fingers or comb for desired shape.
16091

Beard Oil, 50ml
Sometimes beard hair just needs a lift & spruce. These beard oils work to create a healthy shine & glow for rough, coarse & textured beard hair which is notoriously difficult to liven & control. Tidies, softens, protects & moisturises the beard with a smoothing effect that tames frizz & fly-away strands. Dryness, itching & irritation are immediately treated with the effects lasting all day. Imparts a natural, delicate fragrance.

Use: Apply a few drops of oil to the hands or directly onto the beard & brush or comb through. Pair with a beard balm for additional styling.

Amber **16092**
Citrus **16093**

Energizing Shampoo, 250ml
An invigorating shampoo enriched with nourishing ingredients that give hair strength, damage resistance & boosts shine & vitality. Ideal for sensitive & thinner hair types that need protection from the environment. This shampoo's pH level is perfectly balanced, making it perfect for those who want to frequently wash their hair. Also great for those susceptible to dry & oily hair as the shampoo corrects moisture imbalances.
16094

Refreshing Shampoo, 250ml
Shampoo formulated with menthol for a refreshing & stimulating feeling on the scalp & hair without stripping natural oils & drying out the skin & hair. Delicately cleanses & removes product, oil & debris build-up on the hair & scalp, imparting a pleasantly-refreshing fragrance & tingling sensation. The hair & skin underneath are left soft & clean.

Use: Wet hair, apply shampoo, lather & rinse.
16095

Black Carbon Shampoo, 250ml
A game-changing shampoo infused with black carbon, rich in vitamins, minerals & antioxidants for healthy hair. A secret blend of ingredients brighten & tone white or grey hair to enhance its appearance by removing unwanted yellow & brass tones & reflections. Natural grey or white hair is left rich in colour, shiny, healthy & smooth.
16101

Matt Paste Strong, 100ml
A strong styling paste for the most demanding styles. Provides texture, definition & maximum control for chiselled & sculpted looks with a special matt effect. Ideal for hard, contemporary looks with a disheveled effect, especially on short hair.

Use: Apply small amount of product in the palm of hands & evenly distribute on dry hair. Style as desired with hands, comb or brush.
16097

Extra Matt Clay, 100ml
A rich & luxurious clay with a natural, matt finish for demanding styles that need to last all day. Creates volume & definition with extra matt styling for a more dishevelled, messy, contemporary style.

Use: Work a small amount of product between palms, evenly distribute on dry hair & shape.
16098

Modeling Gum Paste, 100ml
Specialized gum paste that texturizes & styles with a memory effect so styles last all day. Easy to apply & re-shape for flexible & glossy styles. Ideal for creating a wet & shiny look.

Use: Apply small amount of product onto palm & work in hands before applying to damp or dry hair.
16099

Shaping Fibrous Paste, 100ml
The ideal styling paste for those who like to switch it up by re-working & adjusting their style during the day. Provides shape & natural definition with a semi-gloss look & a flexible, structured end result that can be changed & altered throughout the day.

Use: Work a small amount of product between fingers, apply to dry or slightly damp hair to create desired look, styling each individual lock.
16100

Modeling Black Paste, 100ml
Soft modeling gum enriched with ingredients that give movement & flow to hair for flexible, defined styles & incredible shine. Covers white or grey hair in a natural & discreet manner while delivering style & texture without weighing the hair down. Provides maximum control with temporary colour cover that is easily removed by washing out with shampoo. Does not stain clothes or pillows & leaves no traces of residue.
16102

Styling Gel, 150ml
Styles & defines hair with a flexible hold that can be adjusted & fixed throughout the day. Provides body, volume & shine to all hair types while preventing dryness. Can be activated by adding water & re-styling.

Use: Apply on dry hair for a texturizing & natural finish or on damp hair for a chiselled, defined look.
16096

Black Styling Gel, 100ml
Modeling hair gel for extra shine, enriched with ingredients that cover white or grey hair with a natural black tone. Transforms styles & overall looks in a discreet manner. The colour's reflective & gentle composition means that no one will be able to tell it is artificial colour. Delivers incredible shine & colour is easy to control as it washes out with shampoo. Does not contain alcohol & will not leave any residue or stain clothes or pillow cases.
16103

Hair Color Gel, 60ml

A styling gel base formulated with innovative polymers & no greasy substances to deliver styling control with natural-looking colour. The colour pigments are easily absorbed on the surface of the hair shaft & provide a natural, reflective tone so no one can tell it is artificial colour. Available in 4 different tones of grey for flexibility. Colour can be controlled by re-applying for more intense colour or washing out for gradual reduction in colour intensity. In addition to colour, the gel adds definition, immediate shine, strength & control for sculpted looks. Results will last up to 4 weeks. Hair will have renewed strength & natural-looking colour for a fresher, more youthful look.
