J-CUT 60 LI CLIPPER

Powerful cutting clipper with low vibrations, quiet motor & lightweight construction at only 250 grams. Can run for approximately 4 hours, & fully charges in 3 hours.

Titanium-coated cutting plate with movable ceramic blade features 3 stage speed settings (5000 - 7000 RPM) for versatile use. Intelligent speed adjustment works to ensure constant & reliable cutting results regardless of hair thickness.

Four stage cutting length adjustments (1.0 - 1.9mm) gives the stylist quick control. Four attachment combs (3, 6, 9 & 12mm) provide extra versatility.

Battery status & oil control indicators on the LCD display provide more important information than ever.

- Width of the cutting plates: 45mm
- Cutting length: 1.0mm - 1.9mm
- Weight: 250g
- Includes: 4 attachment combs (3, 6, 9 & 12mm), power adapter, charging station, maintenance oil & brush
