EZwax[®]

HIVE's range of waxes are formulated with the purest ingredients to deliver optimum efficiency & gentle application, making them a real salon essential! The comprehensive range consists of warm & crème waxes with paraben-free formulations designed to produce silky, smooth results with a high level of client comfort, ensuring waxing professionals can "wax with confidence".

Natural Honey Wax

All-purpose depilatory wax with a honey-like texture. Formulated for smooth application & low allergy risk.
800g
14005

Soothing Crème Wax

Benefits from a low operating temperature & is particularly effective on sensitive skin.
800g
14006

Sensitive Azulene Wax

Uses the purest ingredients to ensure a gentle & kind waxing experience with amazing results.
800g
14007

Roller Wax Cartridges

Provides a quick, accurate & hygienic method of wax application & enables quick & easy waxing results without mess.

Warm Honey

For use on normal skin & normal/coarse hair.
100g
14008

Tea Tree Crème

Benefits from a low operating temperature, for normal or problem skin & fine/normal hair.
100g
14009

Sensitive Crème

A gentle formula for use on delicate & sensitive skin.
100g
14010

Charcoal D/Tox Hot Film Facial Wax Pellets

Powered by Activated Charcoal to draw toxins & impurities from within the pores, leaving skin hair-free, cleansed & rejuvenated.
500g
15954

Hot Film Wax Pellets

Rose Hot Film
For all skin types. No strips are required as the wax grips the hair as it sets.
700g
14011

Brazilian Hot Film

A unique, pliable hot film, suitable for Brazilian-style bikini line waxing & other sensitive areas such as face.
700g
14012

Azulene Hot Film

Ensures a kind, gentle waxing experience, suitable for all skin types.
700g
14013

Hot Film Wax

Xtra Strong Hot Film Wax
Ideal for male waxing & coarse hair.
500g
14015

Original Hot Film Wax

A multi-purpose, pliable wax for use on all areas of the body.
500g
14016

Sensitive Hot Film Wax

Low allergy risk formulation designed for use on sensitive skin & intimate areas.
500g
14017

Paraffin Wax Pellets

Provides therapeutic heat that warms & soothes the joints & muscles whilst also nourishing the skin.

Fragrance-Free

Ideal for use on skin with a low melt formula.
700g
14026

Peach

An uplifting sweet peach fragrance with a low melt formula.
700g
14027

Tea Tree & Peppermint

Low melt formula.
700g
14028
