18150

PRO THIN HAIR DETANGLER - (Available 2022)

Specially designed to protect every hair strand, & to boost every style with less pain, effort & breakage. Detangles with ultra soft, pliable IntelliFlex® bristles.

Ideal for fine/thin hair. Bristles bend & sway to gently detangle & minimize hair fallout. Less bristle density (78 bristles vs. 178 bristles on original detangler) makes brush even gentler. Density without the rigidity – pliable bristles accommodate to the hair & head shape. New material helps glide over hair cuticle, eliminating snagging.

18130

NEW!

PRO TREATMENT BRUSH - (Available 2022)

Treatment brush for spa-like experiences with less damage & effort. Extended/rounded teeth & drainage holes allow for ultimate treatment product distribution to every strand, & gentle detangling without scratching. Brush & treat the hair at the same time.

Ideal for all hair types. Gently detangles while distributing product for treatments. Effectively distributes, letting you use less product, while still ensuring every strand is treated. Prevents scratching, & reduces hair shed.

18131

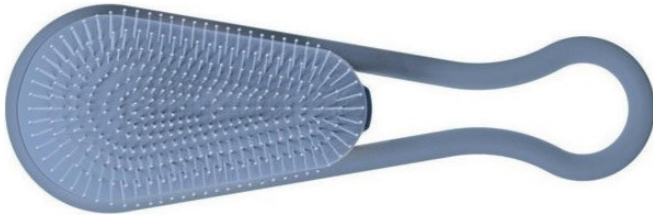

NEW!

ANTI-MICROBIAL PURIFYING DETANGLER - (Available 2022)

17491**CUSTOM STYLING COLLECTION**

Gentle Styling Brush for Fine to Thin Hair

The gentlest way to detangle & style. Super-soft synthetic boar bristles gently detangle & help style thin to fine hair. Perfect to use for all hair treatments. Soft cut bristles bend & sway to gently detangle, minimizing damage & hair shedding.

Thicker bristle clusters help glide over the hair cuticle, eliminating snagging & pulling. Cruelty-free, ultra-fine synthetic boar bristles boost shine. Density without the rigidity - bristles really accommodate to specific hair & head shape. Specialised handle for a comfortable hold.

17205

Smoothing Brush for Natural & Textured Hair

Designed for every hair length or texture. Smoothing brush adds the perfect last touch to styles, setting specific styles in place. Ideal for short & long hair styles. Gentle bristles ensure no damage & reduced fly-aways.

Synthetic boar bristle blend gently lays down smooths hair. Sleek & soft matte finish for premium look & feel. Distributes natural oils throughout hair, increasing shine to further finish off styles. Non-slip grip handle for comfortable & gentle detangling.

17209**CUSTOMIZED STYLING BRUSH FOR CURLY HAIR**

Customizable brush with nylon bristles to detangle dense curls without pulling or shedding, minimizing hair damage. Each row of bristles can be easily removed for 512 different possible ways to style, suiting every possible styling need.

Nylon bristles do not snag hair like tradition bristles. Non-slip grip handle for comfortable & gentle detangling. Pad will not slide while styling curly hair. Material embedded into rubber pad reduces static & frizz while styling.

Fine - Medium Hair

Thin nylon bristles glide through thinner curls with ease. Curls are looser & elongated, with the texture & feel being more on the finer/silkier side.

17206**TRIPLE EDGE BRUSH & COMB STYLER FOR EDGES**

Multi-functional edge brush for keeping the hairline & fly-aways in place. Keeps edges & fringes smooth for natural, relaxed & braided styles. Create detail & definition. Nylon bristles minimize damage & snagging while styling. Two-sided comb can handle multiple hair thicknesses: wide tooth side detangles, & fine tooth side for fly-away strands. Sectioning pick at end of styler for added ease. Innovative toothbrush design allows for detailed styling with minimal effort. Sleek design for maximum dexterity & precision while styling. Non-slip grip handle for comfortable & gentle styling.

STYLE SAVER KIT

• With one revolutionary detangling brush & deluxe shower cap, this kit has all you need to make your style last • Exclusive, ultra-soft IntelliFlex® bristles glide through tangles with ease • Minimizes pain & protects against split ends & breakage • Lets you brush with less force, so you can detangle with less damage to your hair

PURIFYING CHARCOAL INFUSED

Charcoal infused bristles & TPE strips eliminate impurities & build-up on the hair & scalp, revealing healthy & vibrant hair.

Hair is refreshed & purified, making it look & feel smooth & shiny. Activated charcoal helps to cleanse the hair of impurities, remove excess sebum & purify the hair shaft. Ideal for refreshing, detangling & styling oily hair types.

IntelliFlex® bristles glide through strands with no pain or breakage, detangling the hair with ease. Ultra-soft TPE smooths hair cuticle, keeping frizz, static & fly-away strands in check. HeatFlex™ bristles are safe to use with hot tools.
